

# Zig Ras Records

There have been memorable collaborations over the years but the combination of Jamaica's "Energy God" and "Canada's Own" Snow was an ingenious move for Thomas and Ziga from Zig Ras Records. Partnering Elephant Man's ever so popular high energy with the amazing talented vocals of Snow it has created a "Hit" called "PEACE". From Kingston, Jamaica to New Jersey Builder's Music and Zig Ras Records have come together and introduced me to the hottest new riddim our industry has heard called "Lay Back".

About Zig Ras Records....

In 2002 Alvin Thomas joined David Pryce in a partnership to establish one of the most dynamic record and production company, Zig Ras Records. This company is located in the cool rustic hills of Mandeville, Jamaica. Since the establishment of Zig Ras Records, we have been producing and networking with some of the most creative producers, engineers and musicians both locally and internationally.

Our latest production is a track entitled “Layback Riddim,” which features established and new artists such as: Elephant Man, Snow, Laza Morgan (Morgan Heritage), Italee, Crazy B, Rasco, Dia, Rol Davis, Saddler, Sexy Pebbles, Rhonda Schuster, Wayne Perkins and Rupee Ranks. The “Layback Rhythm” is definitely one of the finest works produced by Zig Ras Records and Builders Music. This track is the work of fine art and superb creativity.

The unconditional love of music inspires us to produce records that are motivating and inspirational. The “Layback Riddim” has just been released and so far, we have been getting tremendous response from the listeners and media entities.
